Meeting Date 07-12-2017  
Council/PH Council  
Committee  
Agenda Item Bill 43 regarding maintenance of streams  
Your position on the matter Oppose  
Representing Self  
Organization  
Do you wish to speak at the hearing? No

Written Testimony  
This proposed ordinance would bear too much burden on a typical homeowner who lives next to a stream. It makes them responsible for clearing A stream regardless of who or what caused the blockage and it is too broad and burdensome to the general public. The reason for the origination of the bill as a commercial entity not maintaining a stream causing stench. This problem has since been resolved and this bill is unnecessary.
